

HIPAA Consent Form

The Health Insurance Portability and Accountability Act (HIPAA) provides safeguards to protect your privacy. Implementation of HIPAA requirements officially began on April 14, 2003. many of the policies have been our practice for years. This form is a "friendly" version. A more complete version is posted in the office.

What this is all about: Specifically, there are rules and restrictions on who may see or be notified of your Protected Health Information (PHI). These restrictions do not include the normal interchange of information necessary to provide you with office services. HIPAA provides certain rights and protections to you as the patient. We balance these needs with our goal of providing you with quality professional service and care. Additional information is available from the U.S. Department of Health and Human Services. www.hhs.gov

We have adopted the following policies:

- 1. Patient information will be kept confidential except as is necessary to provideservices or to ensure that all administrative matters related to your care are handledappropriately. This specifically includes the sharing of information with otherhealthcare providers, laboratories, health insurance payers as is necessary and appropriate for your care. Patient files may be stored in open file racks and willnot contain any coding which identifies a patient's condition or information which is not already a matter of public record. The normal course of providing caremeans that such records may be left, at least temporarily, in administrative areassuch as the front office, examination room, etc. Those records will not be available to persons other than office staff . You agree to the normal procedures utilized within the office for the handling of charts, patient records, PHI and otherdocuments or information.
- 2. It is the policy of this office to remind patients of their appointments. We may dothis by telephone, e-mail, U.S mail, or by any means convenient for the practiceand/or as requested by you. We may send you other communications informingyou of changes to office policy and new technology that you might find valuable or informative.
- 3. The practice utilizes a number of vendors in the conduct of business. Thesevendors may have access to PHI but must agree to abide by the confidentialityrules of HIPAA.
- 4. You understand and agree to inspections of the office and review of documents which may include PHI by government agencies or insurance payers in normal performance of their duties.
- 5. You agree to bring any concerns or complaints regarding privacy to the attention of the office manger or the doctor.
- 6. Your confidential information will not be used for the purposes of marketing oradvertising of products, goods or services.
- 7. We agree to provide patients with access to their records in accordance with state and federal laws.
- 8. We may change, add, delete or modify any of these provisions to better serve theneeds of the both the practice and the patient.
- 9. You have the right to request restrictions in the use of your protected healthinformation and to request change in certain policies used within the officeconcerning your PHI. However, we are not obligated to alter internal policies to conform to your request.
